

Notice No.: MKTG-2021-026

Issue Date: 18 August 2021

Subject: Invitation to apply for Designated Market Maker Status in specified DGCX Contracts

Notice to all Members,

Subject: Invitation to apply for Designated Market Maker Status in specified DGCX Contracts

Pursuant to the DGCX By-Laws and Clearing Rules of the DCCC, the following is hereby notified to all Members:

Details of a Designated Market Maker scheme (**DMM Scheme**) for DGCX specified, Contracts as provided in Annexure 1 of this Notice.

The DMM Scheme will run for a period of **12 months** from **Monday, January 03, 2022** until the close of business on **Friday, December 30, 2022**.

Applicants for the DMM Scheme should complete and submit to DGCX the DMM Scheme Tender Application Form (**DMM Tender Application**) by close of business on **Friday, September 24, 2021**. Guidance on how to complete the DMM Tender Application can be found at Annexure 2, and the DMM Tender Application itself is in Annexure 3. Applicants should also complete and submit the KYC Form that can be found at Annexure 4, along with their DMM Tender Application.

When submitting the completed DMM Tender Application, please password protect the document and separately provide DGCX with the password after close of business on **Friday, September 24, 2021** and before close of business on **Monday, September 27, 2021**, to the following email address: tender@dgcx.ae.

The validity of DMM Tender Applications is subject to proof of successful market making capability testing, suitable connectivity and confirmation that an applicant's supporting infrastructure is capable of supporting Market Making activity. In addition, applicants are required to display a previous track-record of Market Making with DGCX. Where no such previous track-record exists, references will be requested. Applicants will be required to undertake "Know Your Customer" (KYC) checks that will be performed by DGCX. Appointment of DMMs will be at the sole discretion of DGCX, with no appeal permitted.

Members who wish further information with regard to this Notice should contact their Relationship Manager.

Notice No.: MKTG-2021-026

Issue Date: 18 August 2021

Subject: Invitation to apply for Designated Market Maker Status in specified DGCX Contracts

Annexure 1: DGCX Contracts Designated Market Maker Scheme Details

1. Introduction

The Designated Market Maker (**DMM**) scheme (**DMM Scheme**) is intended to encourage liquidity in DGCX Futures, Options and Shari'ah Compliant contracts (**DGCX Contracts**) by inviting DMMs to provide competitive two-way price quotes at, or better than, defined volumes and depths in the DGCX (**Exchange**) order book.

The DMM Scheme is open to all existing Broker and Trade Members as well as all Clients holding accounts with a Broker Clearing Member.

Capitalised terms used in this Notice shall, unless otherwise stated, have the meaning attributed to those terms in the DGCX By-laws.

2. Benefits for DMMs

- 2.1. Subject to fulfillment of the obligations contained in clause 3 below, each DMM may receive:
 - 2.1.1.a waiver on Exchange trade and final settlement fees for DMM transactions in DGCX Contracts in which they are acting as a DMM;
 - 2.1.2.a waiver of Exchange co-location and DMA fees, where otherwise applicable, and/or
 - 2.1.3.a model that reflects the DMM's costs of acting in a DMM capacity or a combination of the following options:
 - 2.1.3.1. a revenue sharing model where the Exchange would share the revenue of the transaction costs with the DMM;
 - 2.1.3.2. a fixed monthly stipend for the obligations provided;
 - 2.1.3.3. a monthly stipend consisting of a fixed and variable stipend component with the variable stipend contingent on volumes of the DMM in the DGCX Contract; and/or
 - 2.1.3.4. any other models the DMM may propose that are acceptable to the Exchange.
- 2.2. All clearing fees and SCA (Securities and Commodities Authority) regulatory fees (as applicable), shall be passed on by the Exchange, and will be incurred by the DMM. The Parties agree that all fees and stipend are payable in accordance with applicable UAE VAT legislation.
- 2.3. Names of DMMs and the nature of their commitments may be promoted by the Exchange and included on the Exchange's website. Applicants who do not want their names to appear in such publicity must expressly state this in their DMM application form, a copy of which is provided in Annexure 3 (**DMM Application Form**).

3. DMM Obligations

- 3.1. Some DGCX Contracts will have minimum obligations as detailed in Annexure 2, which outlines the benchmarks that the Exchange would expect a DMM to fulfill. **Applicants are, however, positively encouraged to improve on the benchmarks indicated.** DMMs shall propose their commitment obligations for those contracts that have no indicative obligations.
- 3.2. Applicants should state in their DMM Application Form, the contract(s) in which they wish to act as a DMM and the obligations that they would be prepared to meet. Annexure 2 sets out the parameters of the DMM as well as the DGCX Contracts in which market making (**Market Making**) is required.
- 3.3. Applicants and their respective Clearing Members must ensure that they have sufficient clearing commitment deposited with the Dubai Commodities Clearing Corporation DMCC (**DCCC**) to fulfill their DMM obligations at all times.
- 3.4. First time DMM applicants must successfully test to the Exchange's satisfaction, their Market Making capability, including their Clearing Members approval and infrastructure to support Market Making. Such testing must be completed at least two weeks prior to the applicant signing a DMM Contract (as that term is defined in clause 4.7 below). All costs associated with DMM testing, connectivity and initial set-up are to be borne by the DMM. During the testing period the DMM will receive benefits as outlined in clause 2 above.

4. Application Process

- 4.1 All applicants with appropriate trading rights and clearing arrangements are eligible to apply for DMM status. Applicants should submit a completed DMM Application Form by close of business on the **Friday, September 24, 2021.**
- 4.2 Members can apply to become a DMM. Where a Member is not a Clearing Member, it may only apply for DMM status with the agreement of the relevant Broker Clearing Member. If a DMM requires co-location, a co-location agreement must be signed by the Broker Member.
- 4.3 All applicants are expected to carry out their Market Making commitments with effect from **Monday, January 03, 2022.**
- 4.4 Applicant must clearly state in their DMM Application Form the following information:
 - the products in which they wish to participate as a DMM;
 - the obligations that they are prepared to meet for each contract; and
 - the compensation structure for performing those obligations.

Applicants should also provide detailed supporting information, which they deem to be

Subject: Invitation to apply for Designated Market Maker Status in specified DGCX Contracts

relevant with their DMM Application Form. Such information may include (but is not limited to), the following:

- the number and experience of staff, both in terms of responsible persons and other staff, available to support the Market Making;
- the trading application and support they will be using, and the likely message per second usage. For the avoidance of doubt, DMM applicants using automated systems will be given preference over manual methods;
- the level of risk capital that the applicant will commit to support their Market Making commitment;
- previous Market Making experience either with the Exchange and/or other derivative exchanges; and
- details of connectivity and software which will be used to access the Exchange.

The Exchange reserves the right to introduce daily message allocation for price injection models used by a DMM in fulfilling its obligations.

- 4.5 DMMs will be appointed through a competitive tender process. A Market Maker Review Panel, comprised of DGCX management, will evaluate the applications received for DMM status in the DGCX Contracts. The decision(s) taken by the Panel shall be binding on all applicants and shall not be subject to external scrutiny. DGCX maintains total discretion in appointing any DMM.
- 4.6 The Exchange shall appoint, at its absolute discretion, as many DMMs as it deems appropriate with the objective of providing the maximum benefit to the market whilst ensuring the effective operation of the DMM Scheme.
- 4.7 The appointment of a DMM shall be subject to execution of a contract between the DMM and the Exchange (**DMM Contract**). For the avoidance of doubt, a completed DMM Application Form does not constitute a DMM Contract. Members who have made successful applications will receive from the Exchange a DMM Contract for execution.
- 4.8 The DMM will be required to meet its market making obligations in full. Should circumstances arise which prevent, inhibit or hinder this (**Problem**), the DMM shall notify the Exchange immediately of the Problem, the expected duration of the Problem and what is being done to rectify the situation.
- 4.9 Should a DMM materially fail to meet their obligations the Exchange may adopt any remedy deemed appropriate, including, but not limited to:
- 4.9.1 terminating the DMM's participation in the DMM Scheme;
 - 4.9.2 reducing or removing any entitlements of the DMM; and
 - 4.9.3 where appropriate, re-charging in part or in full any benefits made available under the terms of the DMM Scheme.

4.10 The Exchange may, at its absolute discretion, cease DMM support for a contract or change the parameters of the DMM obligations and compensation by giving a minimum of one month notice to the DMM.

5. DMM Benchmark Obligations

5.1 The DMM shall quote two-way prices continuously for a minimum proportion of the Trading Day and, at the minimum sizes and maximum spreads as per the DMM Contract.

5.2 In addition to the quote obligations specified, the DMM shall provide minimum visible depth in the order book through two-way prices or as agreed with the Exchange on specific products.

5.3 In relation to front month contracts, the DMM is expected to meet their obligations up to the last Trading Day of that contract and subsequently make markets in the succeeding front and second month, as required.

5.4 A DMM is expected to facilitate the rolling over of positions and quote the spread contract (M1/M2), where applicable, from the seventh (7th) Trading Day prior to the start of the tender period or contract expiry for all Contracts. At the outset, it is preferred that the DMM quotes both the front month and first calendar spread at all times.

5.5 In the case of an announcement of significant economic news and during periods of significant market volatility, a DMM may be permitted, after prior agreement with the Exchange, to widen its spread by two (2) times the agreed spread.

5.6 A DMM will, to the best of its ability, respond to and request for quotes (or RFQ).

5.7 DMMs are encouraged to suggest alternative ways of providing liquidity to specified contracts within regulatory requirements.

5.8 For further information, any prospective applicant should contact the Agreements Team at the Exchange at: tender@dgcx.ae.
